FACES OF PCC

“After using Pitt Community College’s Small Business Center resources, we were able to turn our food truck business into a successful brick-and-mortar restaurant. Without the PCC SMALL BUSINESS CENTER, this would not have been possible.”
 – Jay & Eridania Bastardo, Business Owners at Villa Verde Restaurant

“My experiences with Pitt Community College have been an incredible journey to new places and pathways I never knew were possible. I owe so much to PCC and appreciate having opportunities to give back to a place that truly built me.”
 – Michele Marston-Stevens
 Programs Administrator
 Koinonia Community Solutions

“When you move on from PCC, you are still part of the family. I have faculty and staff who still stay in contact with me and follow my achievements. My success is their success. Proud to be a 3rd generation PCC graduate!”
 – Justin Smith, Smith Funeral Service & Crematory
